

# Sing Orff

ORFF-SCHULWERK  
ASSOCIATION OF SINGAPORE

## **Warna (Colour)!**

Is your world filled with colours? Let's make your world a colourful one today. In this session, we will be playing with the primary colours; Red, Blue and Yellow. We will take you through a story where these colours get to mix and make new and different ones. At the end of it all, we get to do a dance together to celebrate The Warna World (The Colour World).

For this session, you will need two objects that can be easily held in your hands, like a book, some papers, a cup, a scarf or a toy. The first object should be with solid colours of either Red, Blue or Yellow and the other object can be of any other colours; Orange, Green, Purple, Pink, Black or White. See you at Warna (Colour)!

### **Presenters:**

Rebecca Lau and Abdul Hakim
